About Our Keynote Speaker – *Dave Sheffield*

Top selling author and professional speaker Dave “The Shef” Sheffield energizes audiences with his Always Better Your Best™ programs.

In today’s uncertain climate of trying to do more with less, people tend to stray off of the focus and drive that ultimately will help them succeed. Learn how to keep going when you want to give up, how to embrace change, not fight it, along with doses of mental floss to inspire and motivate!

More than 450,000 people from 58 countries have experienced his high energy and interactive programs. The Shef not only motivates and inspires audiences; he gives them tools they can put to use right away.
